

CIVIC CENTER DEMOLITION BID

RFI 3 Addendum 3

June 22, 2026

- Please confirm whether the existing electrical transformer on the north end of the building is to remain in place or be removed as part of the demolition scope.

This transformer belongs to Oncor Electric Company and is not a part of the demolition. It will remain on the site as is.

- Please confirm that the concrete will be left on site. **Yes, the concrete must be busted up and left on site to be used by Anderson County Road & Bridge.**

*****NOTE: All addenda issued for this solicitation shall be considered part of the Bid Packet and shall be incorporated into and made a part of the Contract Documents. Bidders are responsible for acknowledging receipt of all addenda and for incorporating any modifications or requirements contained therein into their bid submissions.***
